REPORT OF POLICE CHIEF

1964 was a year of transition for the Tilton Police Department. This developed through the labors of the Police Committee, the excellent cooperation of the Board of Selectmen, and, most important, the desire of the citizens of Tilton to have at their disposal an efficient, up-to-date police department.

Working conditions were improved by shortening the number of hours per work week, adjusting the salary schedule, furnishing uniforms and adequate equipment, and by providing coordination and definite policies within the department.

With a complement of three full-time officers we have been able to furnish more coverage, averaging 22 hours per day, at the same time, are able to have two-man coverage during those hours it is needed most. This coverage, coupled with our recently installed telephone answering set, has enabled the department to provide more, better, and faster service to the community.

Members of the department received their first formal training in September and October with a school conducted by myself. This consisted of basic material pertaining to the complex requirements of modern law en-

forcement and was the groundwork for the Area Training School to be conducted during March and April by the Federal Bureau of Investigation. In October Tilton's police officers received firearms training under conditions similar to those encountered by law enforcement officers. This course, known as the Practical Pistol Course, will be conducted again in May by Special Agents of the F.B.I.

Equipment has been purchased which now enables the officers to perform their duties efficiently and in a proper manner. Report and filing systems have been instituted. A simple accounting system has been devised so as to keep an accurate up-to-date watch on each dollar of the department's budget, thus insuring the taxpayers of getting maximum value for their tax dollar, and to provide the best possible assurance of staying within the budget.

There is still need for improvement in several areas. However, these are being studied and will be presented for your consideration only after I am certain that you will be offered the correct solution at the lowest possible cost.

A police department is only as good as the people of the community want it to be. It is my aim to provide the maximum quality of police service, consistent with the requirements of the town, at the lowest possible cost. it is the policy of this department to enforce all laws in a strict, but fair, manner, with equal consideration for all. The Tilton Police Department is YOUR police department. It is the desire of every member of the department that each citizen avail himself of our services

In closing, I wish to thank the people of Tilton for the wholehearted cooperation they have extended the department.

REPORT OF THE WINNISQUAM FIRE DEPARTMENT, INC. — 1964

To the Voters of Tilton:

The Winnisquam Fire Department, Inc., would like to say thanks to the voters of Tilton for their assistance and cooperation in the year 1964.

A new mobile radio was installed in our Emergency truck. We also added new Forestry equipment and protective clothing for the men. Drills were held every month and members either attended or instructed at the Fire Schools at Fitzwilliam and Lily Pond.

We would also like to say thanks to everyone that used extreme caution during the severe dry spell and helped to keep our fire losses down. Also for reporting fires so promptly so we could get on them while they were still small.

In 1964 the Winnisquam Fire Department, Inc., answered 30 calls. Four were structural fires, 12 brush or forest fires, 3 chimney fires, 5 were other calls (resuscitator, etc.), 6 were Mutual Aid calls. We received Mutual Aid 3 times and gave Mutual Aid Assistance 6 times.

Mutual Aid Given:

Belmont — 2 Sanbornton — 1 Laconia — 1 Gil-
ford — 1 Gilmanton — 1.

We appreciate the assistance given to us by the Tilton Fire Department and Police Department.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy—both industrial and recreational—is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area—4,350.00 acres—is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to es-

cape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

TILTON-NORTHFIELD CIVIL DEFENSE

The Selectmen

Tilton and Northfield

Gentlemen:

The Civil Defense organization of our two towns has made steady progress during the past year.

The Warning System was erected in the early part of the year, partly by volunteer CD personnel and part by sub contracts to local concerns. Tilton road department also rendered valuable assistance. A malfunction in the horn's mechanical assembly required a complete factory replacement, which was carried out entirely at the manufacturers cost.

The horn is now functioning satisfactorily and is tested monthly in accordance with Federal directives. Reimbursement representing approximately 50 percent of the total cost, was received from federal CD funds.

A class conducted by a State official and designed to inform or instruct CD personnel, Firemen, Police, Scout

Explorers and members of the public, in the perils and protection from the results of a nuclear attack produced disappointing attendance, particularly from leading members of the community and our public safety departments. However, I am pleased to report that should the occasion arise, we could fully man with qualified operators and instruments, three radiological reporting groups.

At the time of making this report, the writer and his assistant, Mr. William Southworth, are attending a State Police sponsored course designed for police officers and CD officials.

During the past twelve months two attack warning exercises have been carried out, one statewide, the other nationwide. Although we received our messages fairly quickly, it is planned to have this communication link improved in the near future.

Sundry small items of equipment have been purchased, mostly from government surplus sources, items that for the most part are of current use to the Police and Fire Departments. Of particular note was the aquisition for \$200.00 of a 30KW portable gasoline driven electric generator in 'as new' condition. An item that would be valuable in maintaining essential electrical services in the event of a major power failure.

Future plans call for the encouragement of instruction in our High School toward a better understanding by older students of the problems of nuclear radiation and the protection of the individual. Also, it is the opinion of the writer that in the not too far distant future, a radiation proof shelter be constructed beside the Fire House, to accommodate essential safety personnel and their instruments in the event of a nuclear attack against this part of the country.

Respectfully yours

JOHN F. CLARIDGE

CD Director

TILTON-NORTHFIELD RECREATION COUNCIL

1964 Annual Report

The ninth year of operation has seen continued expansion of the program, and we feel, a tremendous improvement in public relations and cooperation.

Attendance at the center in the period of fourteen months, from October, 1963 to December, 1964, has more than tripled for all functions from free play to dances. Comparatively, the local population has not increased in the same ratio, therefore we feel the increase must be due to the well organized and supervised program directed by 'Pete' Sorette.

Speaking of 'Pete', his teen council has done a wonderful job in taking up where we, the taxpayers, have left off. They raised \$1689.00 during the last school year. The building fund has grown by their donation of \$100.00; we have a new Brunswick Pool Table at the center through their dedication and hard work. Also, they gave to the Olympic Fund, bought all their own records for the center and in addition, purchased small equipment for the center such as ping pong paddles, etc.

The swimming program was very successful and quite expensive due to the necessary purchase of much needed equipment such as a boat and rope to make markers for the swimming area. Raft and dock repairs had to be made. Through volunteer labor, this expense was kept to a minimum. The program was well received with an average daily attendance of 84 students and 167 graduates of the various classes. Bob Robitaille of Franklin was our director for the program, with Jane Falardeau and Dennis Smith serving as assistants. Dwight Barney was our bus driver. We were fortunate to secure a lease for the bus from the Tilton 49ers Drum & Bugle Corps,

which saved \$110.00 from the previous year. Many thanks to all concerned for a job well done.

Our current project is to establish a recreation advisory council which would be made up for the most part, by representatives of the different organizations in town. There still is a definite lack of communication between the townspeople and those of us administering your program. We hope the establishment of this council will help to alleviate that situation.

As we live here in the heart of recreation country, we think our recreation program should be second to none, and we continue to work to that end.

In closing, we wish to thank Mr. Wayne Fenhoff for rebuilding our waterfront equipment; Mr. Richard Wadleigh of Wadleigh Marine for selling us our boat and other equipment for the beach at his cost; the School Board for their cooperation and understanding, and everyone who has helped us in any way what so ever.

ANNUAL REPORT OF THE DISTRICT NURSE

Fiscal Year January 1 to December 31, 1964

During this period the nurse has made 1876 nursing visits and 339 cases were cared for.

These were divided as follows

Therapeutic nursing	1571	Home calls	56	Office calls
Pre-natal				
Post-partum	14	Home calls	2	Office calls
New-born				
School	2	Home calls		

Health and welfare service

Adults	140	Home calls	6	Office calls
Infant				
Pre-school	71	Home calls	12	Office calls

Forty trips were made with patients to Doctors offices and clinics during this period.

Mrs. Thalia Coulter substituted for Mrs. French during February and March.

The nurse assisted at the blood bank mobile unit in February and August.

Three immunization clinics sponsored by the State Health Department in cooperation with the District Nurse Association and the School Health Department were held in the American Legion Hall October 8, November 9, and December 7. Eighty-four children received toxoid for the prevention of Pertussis, Diphtheria and Tetanus. Sabin oral polio vaccine was given to twenty-five children and twenty-seven children were vaccinated for small pox. Dr. Robinson was the physician attending at these clinics. Nurses assisting were Mrs. Virginia

Knowlton and Miss Rosemary Hawkins from the State Health Department, Mrs. Kay Hewitt, School Nurse Mrs. Lurline McCook, Mrs. Alice French, Miss Leata Kennedy and myself. Clerical workers were Mrs. Marjory Robert and Mrs. Norma Lamanuzzi.

At Thanksgiving time Mr. Bernard Chapman and I distributed food from the Sunday School of the Congregational Church. Also food baskets were donated by the Salvation Army to two needy families.

At Christmas time the school nurse and I distributed toys donated by the Episcopal Church, the Lion's Club, the Rotary Club and the Girl Scout Troop. Through generous gifts of money from the Emblem Club in Franklin, the teachers at the Tilton - Northfield schools and two personal donors we were able to purchase additional gifts which we wrapped and delivered.

The Elks, Salvation Army and the American Legion provided many well filled baskets of food which were delivered to needy families.

On behalf of the District Nurse Association I extend sincere appreciation to the American Legion for the use of their hall for our Fall clinics.

At the end of my first half year as your district nurse I wish to thank the Executive Board of the District Nurse Association for their support. Mrs. Alice French for her kindly counsel and advice, the selectmen, the residents of both towns and the friendly cooperation of my patients.

Respectfully submitted

REPORT OF THE TILTON-NORTHFIELD SCHOOL BOARD

The Board voted last June to use the balance of the Building Fund Account plus federal aid to purchase an electricity-electronics laboratory for the training of vocational pupils for the new state technical institute courses and for the college preparation of pupils in our physics and general science high school courses. Our district was the first in the state outside of the cities to establish this course. It could also lead to interest of small electronics firms to locate in this area.

The proposed budget for 1965-1966 will show three special expenditures: (1) An increased amount for salary increases for teachers to meet the competition from other communities and to retain the best teachers. (2) An amount to cover the cost of interscholastic athletics not covered by gate receipts. (3) Part of the salary of the cafeteria director in order to improve the lunch program and avoid deficits.

All taxpayers will probably be pleased to know that the Board does not plan to request a bond issue for an addition to the Sanborn School this year. The census shows small first grades with an enrollment of 70 to 88 commencing September 1966 with three teachers needed for the first grade instead of the present four. There are now four teachers in the first and second grades and it will be necessary to retain these two positions as they progress through the six grades.

The high school does not face any space problem since the building was constructed to house one hundred additional pupils over the present enrollment.

The High, Union and Sanborn Schools are in excellent maintenance and the following renovations were made:

Tilton-Northfield Junior-Senior High School

1. Four new doors installed in the gymnasium
2. Four classrooms painted

3. The baseball backstop was increased in height to reduce window damage
4. The roof was repaired in the original school
5. The ventilators were painted
6. The entrance to the gymnasium was painted and the wall repaired
7. The custodians have saved the district large sums annually by doing a great deal of maintenance and repairs throughout the year, including the renovation of school furniture by sanding and refinishing

Union and Sanborn Schools

1. The renovation of one entire classroom in the Union School, including floor leveling cover, a new tile floor, wainscoting, and painting in accordance with the Board policy of improving completely one classroom a year
2. Two classrooms painted by contractor and two by custodians (Union)
3. Stairway, stairwell, side door, basement entrance, one ceiling, boiler room, incinerator and four corkboards painted (Union)
4. Floors in six classrooms and four stairways sealed (Union)
5. Temporary repairs to Sanborn roof
6. The custodians have saved the district large sums annually by doing a great deal of maintenance and repairs throughout the year, including the renovation of school furniture by sanding and refinishing
7. A new fence installed at the schools, including a gate to reduce trespassing by pupils on neighboring property

The following equipment was purchased:

Tilton-Northfield Junior-Senior High School

1. 32 foot ladder

Union and Sanborn Schools

1. Floor machine
2. Wet and dry pick-up machine
3. Window washer
4. Electric motor for ventilators
5. Gravely tractor with leaf mulcher
6. New wheelbarrow and lawn tools

The summer program at the elementary schools included morning recreation, athletics, arts and crafts for approximately one hundred pupils daily. This program has been operated by the Board for over twenty years. The instrumental music program for seventy pupils was maintained for the second year. The new introduction was remedial and special reading for fifty pupils. This program is to help children with special problems.

The Katherine M. Johnson's Estate contribution of five thousand dollars was received in December 1964 and has been placed in a savings account. The interest, in accordance with the will, will be used for an annual scholarship for a high school graduate, commencing with the Class of 1966.

We wish to express our deep appreciation to the following:

1. The Journal-Transcript for its excellent program of news and publicity which has annually raised funds for a scholarship for a Franklin and Tilton-Northfield graduate.
2. The Women's Club of Tilton-Northfield for its successful operation of the Dental Clinic.

3. The Benevolent Order of Elks for its annual scholarships for graduates of the area.
4. The Anna M. Hussey Memorial Committee for its scholarship award to future teachers.
5. The Pucci Family for the Alfred H. Pucci Memorial Award.
6. The Tilton Rotary Club for its annual scholarships to three graduates and for sending pupils annually to the League of Nations Model Assembly at Plymouth State College.
7. The Tilton Lions Club for its financial assistance to pupils.
8. The American Legion Whiteman Post No. 49 for its Scholastic Award and for sponsoring pupils to Boys State at the University.
9. The American Legion Auxiliary for contribution of books on subjects of Americanism, and for sponsorship of pupils to Girls State at the University.
10. The Tilton Holy Name Society for prizes in home-making and shop.
11. The Daughters of the American Revolution for its award.
12. The Grevior Improvement Award, the Women's Club Achievement Award, The Channing T. Sanborn Music Award, the Barbara Walles Award, the Arch Scholarship Award, the Future Homemakers Award
13. The Garden Club, Friends of the Library, the Library Trustees and all civic and professional organizations which have contributed scholarships, special gifts, and assistance.
14. The Citizens National Bank and the Iona Savings, Gale's Insurance Agency, Giles Dairy, and the Shepherd Funeral Home for gifts and prizes.

15. Our Superintendent, Principals, Teachers, Treasurer, Office Workers, Custodians, Cafeteria Workers, and Bus Operators for their excellent cooperation.
16. The Selectmen of Tilton and Northfield for their assistance in all school problems.
17. The Town Budget Committees for their excellent cooperation, advice and assistance.

We especially wish to express our thanks to the people of the two towns for their financial and public support of the schools. We appreciate the fine constructive suggestions for the improvement of the schools. We appreciate the spirit of our people which has always supported local education and the best education for this original cooperative school district.

REPORT OF THE 1964 DISTRICT MEETING

Tilton, N. H., March 11, 1964

Tilton-Northfield School District meeting held at Tilton-Northfield Auditorium was called to order by the Moderator, Mr. Brackett Hill, at 8:00 p.m.

Invocation by the Rev. Robert Sargent, Pastor, N-T Congregational Church.

Warrant read in full by the Moderator.

Voting procedure was in accordance with that voted in Article 11 of the 1963 School District Warrant, whereby the polls were opened at 6:45 p.m., and the business meeting declared opened at 8:00 p.m. As Warrant Articles from No. 1 through No. 4 were by Australian Ballot, and would be continued in the evening, the business meeting was opened on Article 5 of the 1964 School District Warrant.

Article 5 — On motion made by Phyllis Yudickey and duly seconded, it was voted that the salaries of School District Officers, Truant Officer, and other officers and agents of the School District for the 1964-1965 school year be as follows:

Chairman School Board	\$ 60
Four School Board Members @ \$50	200
District Treasurer	105
Two Auditors @ \$5 each	10
Census Enumerator	200
Truant Officer	50
Clerk	5)by amendment to
Moderator	5)original motion

Article 6 — On motion made by Robert Marshall, and duly seconded, it was voted that the reports of Agents, Auditors, Committees, or Officers chosen, shall be accepted as printed in the Town Reports of Tilton and Northfield.

Article 7 — (Returned to same after voting [8:45 - 9:00 p.m.]) On nomination by William Lawrence, and duly seconded, the following were nominated for Auditors for the School District, and duly elected: Norman Wiggin
Joseph Richard

Article 8 — On a motion made by School Board Chairman, William Lawrence, and duly seconded, it was voted: That the District votes to raise and appropriate the sum of Four Hundred Thirty Seven Thousand, Five Hundred Twenty Eight Dollars and three cents (\$437,528.03) for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against such appropriation of such sums as are estimated to be received from the State Foundation Aid fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the towns.

Article 9 — On a motion made by Mrs. Roy Simpson, and duly seconded, it was voted that the district raise and appropriate the sum of Eleven Hundred Dollars (\$1100.00) to be added to the 1964-65 School Budget for the purchase and installation of a fence approximately one hundred sixty feet on the east side, opposite Vine Street, and approximately two hundred fifty five feet on the south end, opposite Oak Street, and approximately thirty-five feet from the corner of Sanborn School to Park Street.

Article 10 — On a motion by Mr. Albert Brooks, and duly seconded, it was voted that the date of the annual District Meeting, commencing with the 1965 meeting, to be two weeks following the annual Town Meetings.

Article 11 — To transact any other business which may legally come before this meeting.

1. On a motion made and duly seconded, it was voted un-animously that the Moderator appoint a committee of three to prepare appropriate resolutions in recognition of the long service of retiring School District Clerk, Helen Y. Andrews.
2. General discussion but no motion or vote; information and exploration:

New Supervisory Union — William Lawrence and
Albert Brooks

Remarks — Mr. Donegan, Supt. of Schools, Franklin

Remarks — Albert Brooks — explanation of why
School Board did not approve of new Union.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

The Tilton-Northfield School Board conducted the business of the district for the best possible interests of education, with a few examples listed:

1. Completed the financial year, for the twelfth in a row, with a balanced budget and all outstanding bills paid.

2. Used the balance of the building account, and federal aid under the National Defense Education Act, to purchase an electricity/electronics laboratory to train vocational pupils for the new state technical institutes and college bound pupils in modern physics and general science, and for positions of employment in electronics firms which may locate in the area.

3. Authorized the purchase of textbooks for the new mathematics system for Grades 7-12.

4. Authorized the purchase of modern mathematics books for Grades 3-6.

5. Conducted a study with all teachers of the union on a new standard reading program and purchased new books for Grades 1 and 2, with the plan of completing the series in the next few years.

6. Operated the annual summer program at the Union School under the direction of Mr. Lansing Reinholz, High School teacher, assisted by two high school girls, Kathleen Davidson and Carol Hilliard—in recreation, athletics, arts and crafts.

7. Conducted for the second year the instrumental music summer program under the direction of Mr. Thomas Vento.

8. Maintained an excellent remedial reading program for approximately fifty pupils under the teaching of Mrs.

Cass; the seven summer weeks enabling many pupils to correct reading defects.

9. Arranged for the construction of additional library shelving for the high school library.

10. Purchased over fifteen hundred dollars worth of new library books in addition to the ones received from the Friends of the Library and the American Legion Auxiliary.

11. Sent Physical Education Director Donald Piper to two clinics conducted by the New Hampshire State Athletic Association.

12. Started soccer as a new fall sport for about thirty boys at Tilton-Northfield High School.

13. Sent Guidance Director Miriam Hill to a New England Guidance Clinic.

14. Sent Principal Robert Libby to the New England meeting of Secondary School Principals.

15. Authorized the attendance of Commerce Teacher Roberta Stearns at the New England Commercial Teachers' Annual Meeting.

16. Approved the attendance of Social Studies Teacher Lansing Reinholz at a Social Studies meeting at the University of New Hampshire.

17. Approved the attendance of Mrs. Marian Stucker at the University of New Hampshire to complete requirements as a qualified school librarian.

18. Sent French Teacher Virginia Tripp to a Language Teacher Meeting at St. Anselm's College.

19. Sent Industrial Arts Teacher and fifteen boys to the Annual Vocational Contest at New London, where the pupils won many awards for their exhibits.

20. Purchased new science modern textbooks for Grades 5-6.

21. Introduced Mechanical Drawing and Blueprint Reading as a new course, especially for pupils planning to enter engineering courses in college.

22. Purchased new social studies books of a standard series for Grades 1-2.

23. Sent the high school chorus to a regional chorus festival at Peterborough.

24. Conducted excellent Open House occasions at the elementary schools and high school for parents and interested citizens.

25. Approved a Union School and High School Science Fair with a large citizen attendance.

26. Added two teachers at the high school and one at the elementary school to take care of increased enrollment.

27. Contracted for the painting of six rooms and the gymnasium entrance at the high school and two rooms at the Union School.

28. Contracted for one new tile floor at the Union School.

29. Installed four new wood doors at the high school gymnasium.

30. Repaired the junior high and Sanborn School roofs.

31. Purchased all school supplies on the low bid arranged by the towns of the old supervisory union.

32. Sent all office equipment of the Tilton-Northfield share of the Division of the old supervisory union to the high school.

33. Elected Mr. Corey McAllister as Principal of the Union and Sanborn Schools after the requests of Miss Rita Martin and Mr. Robert Candon to be released from administration but continued as teachers.

34. Accepted with regret the resignation of Mr. Elmer Simmons as Head Custodian of the Union and Sanborn Schools, after a long and very successful career in the Tilton-Northfield Schools.

35. Purchased all equipment, repairs, cafeteria supplies, milk, oil and other services on bids.

36. Approved Principal Robert Libby attending the National Principals' Convention.

APPRECIATION

May I express my deep appreciation to the members of the School Board, Selectmen of Northfield and Tilton, the two Municipal Budget Committees, the School Treasurer, the Principals, Teacher Consultant, Teachers, Office Workers in Supervisory Union No. 59 Office and the school offices, the Custodians, the Bus Operators, Cafeteria Workers, Playground Supervisors, and all business, civic and social organizations for their excellent cooperation in improving the schools of Tilton-Northfield.
